

Job Title: Mechanical Fitter (Permanent Full Time)

Location: Charles Park

Responsible to: Production Manager (Liam Price)

Job Purpose

Reporting into the Production Manager, the mechanical fitter duties include working from drawings, and assembling new conveyors, materials handling systems and chutes, including motors, gearboxes, bearings, couplings, rollers etc. The successful candidate will be required to assemble conveyor systems and sub-assemblies and should have experience using pillar drills, saw, punches, bending machine and hand tools. Any welding experience is advantageous but not essential.

The ideal applicant will be a time-served assembly technician/fitter who has experience of conveyors/material handling equipment assembly.

Key Skills and Experience

- Forklift trained within the last 5 years
- Experience (some or all) of Conveyors, Automation Systems, Robotics, Special Purpose Machinery, including Platforms & Walkways
